OEM PARTS DISTRIBUTION

OEM PARTS DISTRIBUTION CORE SOLUTIONS

AERO INDUSTRIAL SALES
GETTING YOU THE RIGHT PARTS AT THE RIGHT TIME. EVERY TIME.

AIS FOCUSES ON ITS OUR CORE TO DELIVER MORE!
Our role in this competitive industry is to easily facilitate the global distribution of aircraft parts, supplies and materials. We will continue to make our best effort to meet the demands of our industry. A major step towards fulfilling this new role is our alliance with Kapco Global and the enormous selection of vital parts for commercial, business, military, and rotary wing aircraft.

LUBRICANTS & CHEMICALS

LUBRICANTS & CHEMICALS

SMOOTH RUNNING

An aircraft that is lubricated properly is essential to an MRO service and a well functioning aviation business. To help our clients achieve this, we carry various Jet oils that can service more than 11,000 engines with a wide range of applications from commercial and cargo to civilian. We also offer a selection of aviation grease engineered to perform at the highest levels.
